What's New this Week
500,000+ New Places to Discover

We added hundreds of thousands of new place names to Argo, including cities, towns, bays, islands, channels, lakes, streams, beaches, and more.

This behind-the-scenes update makes search feel more natural, so finding spots, saving places, and planning routes is faster and easier across the map.

500,000+
 New Geographic Places Added

Including:

- 230k+** streams
- 70k+** lakes
- 17k+** islands
- 13k+** bays
- Thousands more beaches, channels, capes, ridges, and waterways

On the Blog

My First Time Working the St. Petersburg Power & Sailboat Show

Our head of marketing worked her first ever boat show and came away with a crash course in boating culture. From windy docks to packed seminars, she shares what she learned about navigation, safety, and how real boaters use tech on the water.

Quick Tip

Emergency Calls

Need help on the water and don't have a tow service number handy?

Open Argo's main menu and tap Emergency Call.

You'll find important numbers fast, plus the option to add your own.

Upcoming Events

Seattle Boat Show 1/30 - 2/7

We'll be giving demos of Argo 3.0 at booth 2308. Come and see!

Jeff and Dave will also be presenting the following seminars:

What is better? Chartplotters, Apps, or Both?
