What's New this Week

Check Dock-and-Dine Slip Availability

Spend less time circling docks and more time enjoying the water. We've partnered with SlipRezi to give you real-time dock availability right in Argo!

At participating Florida dock-and-dine spots, you can check which docks are open, reserve a slip, or even order food to go if the dock is full. It's designed to make waterfront trips smoother and more enjoyable.

SlipRezi is expanding quickly and will be available in new areas soon.
